

I'm Sara Sue, I have a **CLUE**.

You'll know someone's bad by what they do.

Sometimes bad things  
Might catch you by surprise  
Like when you're outside playing  
And a friend comes strolling by.

He'll smile and say he likes you  
And has a secret to tell,  
Then take you someplace private  
Where you'll be hidden really well.

You will know he is a bad boy  
By the things he asks of you.  
He'll want to touch your private parts  
Which he's **NOT** allowed to do.
